Write your own topic or keywords here_____

SOURCE Citation	
What type or format is this source?: e.g. website, blog, news site article, video, book excerpt	
CURRENCY: • How up-to-date is the information? • Is the date appropriate for your topic?	
RELEVANCE: • Is the information directly about your topic? • Is it too simple? Too complex? • What audience is this written for?	
AUTHORITY: • Who is the author? What are his/her credentials? • If there is no individual author, what is the organization that created this and what is their purpose? • Why should you believe the author?	
ACCURACY: • Where does the information come from? • Is it consistent with unrelated sources? • Does the appearance seem professional? • Are there references or a bibliography?	
PURPOSE: • Why was this information published? • What audience is this written for? • Is there a commercial or persuasive purpose?
