

10.00 Deadline|Check-out Victoria Hall, King's Cross.

MOVING OUT

What do I need to do before I move out?

You are expected to ensure that your room and flat are returned in good condition at the end of your contract. You must make sure that all areas within the flat are cleaned thoroughly and that all rubbish and unwanted items are removed from the flat to avoid any charges being incurred.

Damage to the flat or missing items will be charged in accordance with the publicised charges. All outstanding invoices must be settled prior to your departure. A final room and bedroom check will be completed at the end of your contract. If you wish to be present at the check, you should arrange an appointment.

How do I return my keys?

During office hours they should be returned to the Management Office. If you move out when the office is closed, *put your keys in an envelope with your name and room number clearly marked on it, and return them to the member of staff on duty.* We have provided your packet envelope—with a place to add your room number—to facilitate your keys return.

REMINDERS

• You are **NO LONGER** required to take a COVID test the day before you fly back to the United States. You are also **NO LONGER** required to complete a combined passenger disclosure and attestation to fulfill the requirements of the U.S. Centers for Disease Control and Prevention (CDC) Orders. But stay tuned!

• *Deadline|Final Journal due 1 August; upload to Google drive*

•
BON VOYAGE! SAFE JOURNEYS, ALL!

GETTING THERE

As of 12:01AM ET on June 12, 2022, CDC will *no longer require air passengers traveling from a foreign country to the United States to show a negative COVID-19 viral test or documentation of recovery from COVID-19 before they board their flight.*

For more information, see Rescission: Requirement for Negative Pre-Departure COVID-19 Test Result or Documentation of Recovery from COVID-19 for all Airline or Other Aircraft Passengers Arriving into the United States from Any Foreign Country.

Read the CDC web site for up-to-date information: <<https://www.cdc.gov/coronavirus/2019-ncov/travelers/international-travel-during-covid19.html>>

If you travel internationally, you will need to get a COVID-19 viral test (regardless of vaccination status or citizenship) *no more than 1 day before you travel by air to the United States. You must show your negative result to the airline before you board your flight.*

If you recently recovered from COVID-19, you may instead travel with documentation of recovery from COVID-19 (i.e., your positive COVID-19 viral test result on a sample taken no more than 90 days before the flight's departure from a foreign country and a letter from a licensed healthcare provider or a public health official stating that you were cleared to travel):

Air passengers will also be required to confirm in the form of an attestation that the information they present is true. If you need the form, follow the link on the course calendar (30 July—Attestation form).

Hooray! Sometimes good things (like a return to the former usual) do come to she/he who waits!
