

DISCOVERIES

FINAL 07 Jun 2022

YOUR WEEKENDS AND DISCOVERY TIMES ARE YOUR CHANCE TO SET YOUR OWN ITINERARY.

Explore London; explore other places. Three (3) of our out-of-London days have been scheduled at either end of a weekend to make it more economical for you to “discover” other areas of England.

DISCOVERIES

<<https://www.webpages.uidaho.edu/arch504ukgreenarch/DiscoveryEx2022.pdf>>

Document your explorations of at least four (4) of the following:

- CLTs in the UK
- Shading Tall Buildings
- Public Squares
- South Bank of the Thames
- Daylighted Musea
- City Markets
- Pedestrian Zones
- Rail Connectivity
- Self-Defined

Remember to incorporate the Green Cities Checklist elements as a guide to your analyses and as a means to demonstrate the interrelationships of the components that comprise a green city.
