

10.30 Sketch|Bloomberg Building

Architect|Norman Foster. The building won the 2018 Stirling Prize for the best building in the UK. It features a well-thought-out exterior shading strategy. You are allowed to sketch in the plazas and in the arcade between the wings. You *may* be able to go into the reception and check out the atrium space from there.

11.00 Visit|London Mithraeum Bloomberg SPACE [booked]; *Remember to bring your ticket (in your packet).*

The Mithraeum is below the Stirling Prize-winning building. It's a museum of Roman artifacts found during site excavation for the new building.
