

THIS WEEK AT THE CENTER FOR ETHICS*

Friday, December 11, 2009

Review

- *Dr. Stoll is a reviewer for Research Consortium, American Alliance of HPERD, and reviewed five abstracts for Graduate Student Awards which will be presented to the winner at the 2010 Convention in Indianapolis. The Research Consortium serves as the organization in support of research across the disciplines and the professions served by AAHERD. The mission is to advance and disseminate research in physical activity and healthy.*

Submitted Paper

- *Dr. Peter Van Mullem, St. Cloud State University, Minnesota, and Dr. Stoll submitted a paper to the Journal of Intercollegiate Athletics. Dr. Van Mullem is Dr. Stoll's 17th finished doctoral student.*

IRB Review.

- *Dr. Stoll as a member of the IRB of the University of Idaho reviewed a paper for approval.*

Up Coming Events

- *Dr. Stoll has been invited by Phi Kappa Phi to attend the national convention in August of 2010, all expenses paid, to represent the University of Idaho Chapter as an outstanding chapter of merit. Dr. Stoll is president of Phi Kappa Phi, Chapter 79.*
- *Dr. Jennifer M. Beller – affiliate member of the Center and Associate Professor at Washington State University, has been asked to speak at the Fourth Annual Pacific Lutheran University Wang Center for Global Education 2010 International Symposium Understanding the World Through Sports and Recreation Thursday and Friday, March 4 and 5, 2010. Dr. Beller will be speaking on the intersection between performance enhancing drugs in sport and the use of performance enhancing measures by the boomer generation.*
- *This week at the Center will be on hiatus, December 18 – January 4, 2010.*
