Brad was invited to be a part of the program committee for the *Ancestral Health Symposium*. He will be reviewing abstracts and developing the schedule of speakers for the event. *The Ancestral Health Symposium* brings together scientists, healthcare professionals, and laypersons who collaborate to understand health challenges from an evolutionary perspective.

Brad Dieter and Mike Vaccaro recorded seven more videos for project Evolv3Sixty. During the year of 2014 they are working in collaboration with [3Sixty Athletics](http://www.3SixtyAthletics.com) to help people through the process of "evolution". They will be posting daily videos with small bits of information to improve all areas of your life: training, nutrition, stress management, mobility, and relationships. The videos can be found at the following link: <http://www.evolutionary-health.com/project-evolve-3sixty.html>

Dr. Stoll completed the end of the year report for 2013. Attached find the report which catalogues the work of the Center for 2013.
