Ethical Theory and Honor in Competition and Sport

RIGHT WRONG

The Center for ETHICS* at the University of Idaho offers study, intervention, outreach, consultation, and leadership in developing and advancing the theory, knowledge and understanding of character education including moral and ethical reasoning, moral development, ethical leadership, and ethical application. The Director of the Center for ETHICS* is Dr. Sharon Kay Stoll.

Aubrey Shaw, PhD, Dr. Stoll's 38th doctoral student, is an advisory board member for a small grant initiative through the Center for Disabilities and Human Development. The Center for Disabilities and Human Development is collaborating on this project with the Department of Movement Sciences at the University of Idaho. The project is about teaching healthy active life styles to people with disabilities.

Elaine Foster, PhD, Dr. Stoll's 41st doctoral student, was awarded a grant through Idaho State University's College of Education. The grant has helped begin a sport management center in the Human Performance and Sport Studies Department at Idaho State University.

Jackie Williams, PhD, Dr. Stoll's 14th doctoral student, presented at the Pennsylvania Athletic Trainers' Society 2022 Annual Meeting and Clinical Symposium on June 11th, 2022 in Harrisburg Pennsylvania.

Williams, J. (2022, June 11). *Professional reponsibility: Knowing your values to provide quality*

care [Conference session]. Pennsylvania Athletic Trainers' Society 2022 Annual Meeting

and Clinical Symposium.

Dr. Stoll. and her 41st doctoral student, Elaine Foster, PhD, presented virtually at the Thirteenth International Conference on Sport and Society which was held in June.

Foster, E., & Stoll, S. K. (2022). *Unlocking purpose, meaning, and motivation through*

embodiment and the aesthetic sport experience [Conference sesson]. Thirteenth Conference

on Sport and Society.

Upcoming Events
