The Center for Excellence in Teaching and Learning (CETL) collaborates with faculty to design transformative educational experiences that improve the lives and learning of our students through innovative, and often collaborative, teaching and research.

What we offer

- Expert consultation on diverse teaching and learning strategies
- Specialized support in course and curriculum design
- Recommendations and assistance for technology-enhanced instruction
- Comprehensive support for the scholarship of teaching, learning, and engagement

Who we are

- Brian Smentkowski, Director, CETL
- Patricia Tilden, Mgmt Assistant
- Carie Saunders, Course Designer
- Doug Habib, Course Designer
- Kari Dickinson, Technical Support
- David Schlater, Technical Support
- Cassidy Hall, Director, Doceo Ctr

Education Building, Room 220
