

## Engr335 – Assignment 0

**Submit to Prof. Budwig by email.**

**1.** (50 points) Include the following information in an **email** to me at [rbudwig@uidaho.edu](mailto:rbudwig@uidaho.edu):

- A. preferred email address for this class
- B. mailing address
- C. preferred telephone number
- D. whether or not you want your classmates to have your email address (for networking on problem solving)

**2.** (50 points) Send a self-introduction to me by **email**. I will post this on the course Internet site. Mention where you have worked or are working, what your most interesting engineering project was, why you are taking this class, and what you hope to learn. You may include personal information about your family and hobbies if you wish.
