Before completing this form, refer to the "Board Policy Section III.G. Program Approval and Discontinuance.

1. Briefly describe the nature of the request e.g., is this a new program (degree, program, or certificate) or program component (e.g., new, discontinued, modified, addition to an existing program or option). **We request that the name of the Crime and Justice Studies major and minor be changed to Justice Studies to reflect the change in the department’s name to Justice Studies. The new name will better reflect the broad, interdisciplinary nature of the program, and it will help differentiate the major and minor from junior college programs that have a more narrow focus on law enforcement.**

2. Briefly describe how the institution will ensure the quality of the program (e.g., accreditation, professional societies, licensing boards, etc.).

3. Duplication--Is this request unique to the system? If not, briefly describe the rationale for the duplication.

4. Succinct statement of need for program or program modification. Include student and state need, demand, and employment potential. Attach a Scope and Sequence, DPTE Form Attachment B, for professional-technical education requests. **(Use additional sheets if necessary.).**

5. Describe how this request is consistent with the State Board of Education's policy or role and mission of the institution. (i.e., centrality).
