3. Facilities and Administrative Cost Recovery

a. The following cost recovery rates will be used by institutions, school and agencies under the governance of the Board for grant and contract services:

(1) For grants and contracts with the federal government, the cost recovery rates are those negotiated between the institution, school or agency and the federal government. The indirect cost rate may vary from one class of contract services to another, but institutions, school and agencies are encouraged to maximize indirect cost reimbursement rates.

(2) For grants and contracts with other state of Idaho departments, the cost recovery rate is twenty percent (20%) of the total direct cost.

(3) For grants and contracts with Idaho municipal, county, health district, joint planning, and other public non-profit agencies, the cost recovery rate is not less than twenty percent (20%) of total direct cost.

(4) For grants and contracts with private entities, whether profit or non-profit, cost recoverys are charged at either the negotiated federal indirect cost rate for research projects or twenty-five percent (25%) of total direct costs, whichever rate will generate the greater amount of revenue for the institution, school or the agency.

b. Reduction or Waiver of Cost Recoverys

(1) For good cause, the chief executive officer or his or her designee of the institution, school or agency is authorized to reduce or waive cost recoverys.

(2) Where cost recoverys are anticipated to total more than ten thousand dollars ($10,000) over the life of the contract, reduction, or waiver of indirect costs must be reported to the executive director on a quarterly basis.

The opinion statement shall include the name, address, and phone number of legal counsel. Contracts presented to the Board for consideration which do not contain this information shall be determined disapproved. Grants and those educational agreements designed for articulation or affiliation shall not be construed to be within the jurisdiction of this subsection unless a fiscal liability is created for the Board, its agencies, school or institutions.
b. Research or consultant entities of agencies, institutions and the school under the governance of the Board may not bid on contract services when it appears that the contract services are reasonably available from the private sector.

c. If the product of contract work is to be privileged or its dissemination restricted, the agency, school or institution may not undertake the contract work without the written approval of the chief executive officer of the agency, school or institution. The chief executive officer must report all such approvals to the Board at its next scheduled meeting.
