I. Policy/Procedure Statement: Briefly explain the purpose/reason of proposed addition, revision, and/or deletion to the Faculty/Staff Handbook or the Administrative Procedures Manual.
1. The fall UFM is a long-standing tradition, in line with the opening convocation and the winter and spring commencements. The meeting is both symbolic and substantive.
2. The UFM provides an important opportunity for the president, in his role of president of the faculty, to address his peers about the accomplishments of the previous year and the challenges of the new one, if he so chooses.
3. The UFM allows the faculty as a whole to meet in person new vice presidents, deans and other administrative officers, as well as their new colleagues. This, in turn, promotes better communication across the university and enhances faculty morale.

II. Fiscal Impact: What fiscal impact, if any, will this addition, revision, or deletion have?

III. Related Policies/Procedures: None

IV. Effective Date: This policy shall be effective on July 1, or January 1, whichever arrives first after final approval (see FSH 1460 D) unless otherwise specified in the policy.
