A. FUNCTION.

A-1. To act on requests for redress of academic grievances and to decide appeals from decisions made by college authorities.

a. Grievances may concern, but are not limited to, such matters as: (1) eligibility for advanced placement or credit by examination; (2) objectivity or fairness in making, administering, and evaluating class assignments; (3) maintenance of standards for conscientious performance of teaching duties; and (4) scheduling of classes, field trips, and examinations.

b. The AHB does not hear appeals concerning requirements or regulations of the College of Graduate Studies or the College of Law. Appeals from decisions of other college authorities are subject to the limitations specified in C-3.

A-2. To observe the effects of academic requirements, regulations, and policies, and to report its findings and recommendations to the Faculty Senate. [ed. 7-09]

B. STRUCTURE. Five faculty members, at least one of whom holds an administrative position in a college. In selecting a chair, a tenured faculty member will receive priority.

C. PROCEDURES.

C-1. Generally the student who is dissatisfied with an institutional academic action should first request reconsideration by the appropriate academic authority. Normally, AHB should hear an appeal only after the student has exhausted the appellate procedures provided at the levels of the department and college. Nevertheless, AHB may grant a request for an earlier hearing if at least two of its members recommend an exception on the grounds that an immediate hearing is warranted.

C-2. When an appeal is to be heard, AHB summons the student concerned and a representative of the academic authority whose action is challenged. A UI student or employee who is summoned to a hearing has the same responsibility to respond as though directed by the president to do so.

C-3. AHB recommends reversal of a departmental or college decision as to the satisfaction or waiver of a requirement or regulation only when it finds that (a) regular procedures have not been followed, (b) the petitioner has been denied a fair hearing, or (c) the decision being appealed was discriminatory with respect to the petitioner.

C-4. Although AHB cannot change a grade or require that it be changed, it may order that the grade it considers appropriate also be recorded on the student’s academic records. (NOTE: Procedures for changing grades are outlined in the catalog.)

C-5. It is within the purview of the AHB to hear an appeal of a grade imposed by an instructor as a result of academic misconduct, e.g., cheating or plagiarism. Such a grade constitutes an evaluation and is not to be construed as a penalty. Penalties for academic misconduct are considered to be disciplinary in nature and must be imposed through the student judicial system. Appeals from penalties imposed through the student judicial system are directed to the Faculty Senate. [see 2200, 2300 II, 2400, and 2450.] [rev. 7-98, ed. 7-09]

C-6. AHB reports its decisions and recommendations to the student, instructor, departmental administrator, and dean concerned and to the registrar. The department, college, and registrar make such reports part of their permanent records for the student concerned.

C-7. AHB may devise additional procedures, consonant with the constitution of the university faculty [1520] and the “Statement of Student Rights” [2200], for the discharge of its functions.
C-8. Actions of the AHB may be appealed as stated in 2500.

1640.04

ACADEMIC PETITIONS COMMITTEE (APC)

A. FUNCTION.

A-1. To act on petitions for exceptions to the academic requirements and regulations printed in part 3 of the General Catalog and to the requirements of the SBOE core printed in part 2. APC is the body with original jurisdiction over such petitions. [rev. 7-05]

A-2. To observe the effects of university-level academic requirements, regulations, and policies and to report its findings and recommendations to the Faculty Senate. [ed. 7-09]

A-3. This committee traditionally meets on Thursdays at 2:30 p.m. and during the summer. [add. 7-08]

B. STRUCTURE. Five faculty members, at least one from the Counseling and Testing Center and include two assistant or associate deans, and (w/o vote) the registrar or that officer’s designee. To assure a quorum alternates are appointed for the dean and faculty positions by the chair of the APC from a list of those who have previously served on the committee. [ed. 7-03, 7-06, rev. 7-08]

C. ASSUMPTIONS AND PROCEDURES.

C-1. APC must be careful not to establish the petition process as an alternative to being governed by the faculty’s legislated academic requirements. There are not two sets of requirements--one for those petitioning and another for those following the catalog.

C-2. All academic work undertaken should be accurately reflected in the student’s record. The faculty expects APC to ensure that the record is faithful to the actual experience (cosmetic adjustments or “corrections” are not sanctioned) and that the record is properly interpreted in relation to academic requirements.

C-3. The responsibility for complying with deadlines specified in the academic calendar belongs to the student.

C-4. The decisions of APC should be focused on the academic consideration involved that caused the student to petition, rather than on the consequences, either real or imagined, that may face the student.

C-5. Petitions are presented to APC by a representative of the student’s college.

C-6. APC reports its decisions to the registrar and to the student via his or her dean.

C-7. Procedures for appeals from decisions of this committee are as provided in 2500.

ADMISSIONS COMMITTEE

A. FUNCTION. To act on applications for admission to UI in the cases of undergraduate applicants who do not meet minimum requirements for admission but who request a review (the applicant must submit additional material that reflects real promise of success in a college-level curriculum). The Admissions Committee also hears appeals from disenrollment when that disenrollment is the result of the presentation of incomplete or false information on initial application as an undergraduate at UI. Decisions of this committee may be appealed as stated in 2500. (Similar applications for admission to the College of Graduate Studies are acted on by the Graduate Council, and its decisions may be appealed as stated in 2500; those for admission to the College of Law are acted on by that college’s Committee on Admissions, and its decisions may be appealed, in order, to the full faculty of the college and, when they consent to hear the appeal, to the president of the university and the regents.) C. CONTEXT: UI Facilities are used by multiple programs, including: academic programs, intercollegiate athletics, campus recreation programs, and by multiple constituencies including students, faculty, staff, retirees, alumni, and visitors. As demand for university facilities increases, there will be increasing potential for scheduling and scheduling policy conflicts. D-2. To develop effective policies and procedures for University facility use that:
   a. support the general educational mission of the University;
   b. maximize opportunity to provide a revenue stream from facilities when such uses do not conflict with the mission of the University;
   c. minimize risk of loss associated with the goals, finances, operations, compliance;

1640.43
FACULTY APPEALS HEARING BOARD

[This section was removed from FSH 3840 C & D and placed here in July 2008]

A. FUNCTION. This board will conduct a hearing at the request of a faculty member who wishes to appeal an institutional decision under FSH 3840 A. In each case referred to it, the board has the following responsibilities: [ed. 4-12]

A-1. To review all documentary evidence submitted by the parties prior to the hearing and all evidence submitted by the parties at the hearing. The board may require the parties to submit evidence deemed relevant by the board.

A-3. To make recommendations to the president.

B. STRUCTURE AND MEMBERSHIP: Five faculty members, one of whom is a departmental administrator, are principal members. In addition, five other faculty members, two other departmental administrators, and three off-campus faculty members are appointed as alternate members of the board. In appointing members, including alternates, the Committee on Committees must ensure that the majority of the members are tenured and each of them have been employed at the UI for longer than two years. Since a case for dismissal is appealable to the Faculty Appeals Hearing Board, care should be taken in appointing members to both Faculty Appeals Hearing Board and Dismissal Hearings Committee. The term of membership is three years, with initial terms staggered to form a rotation pattern. The off-campus alternates will serve, in place of principal faculty members chosen by lot, when an appeal by an off-campus faculty member is to be heard. The other alternate members will serve, as appropriate, when a principal member is deemed to have a conflict of interest. Once the panel for an individual hearing has been determined, it will meet at the direction of the chair of the Faculty Appeals Hearing Board and elect its own panel chair. \[rev. 7-99, 1-09, 4-11\]

B-1. Panel Chair’s Role: Once a panel chair has been selected, he/she will request a meeting with the Faculty Secretary at their earliest opportunity to discuss and review process. The panel chair may request assistance from the Faculty Secretary, Ombuds, or General Counsel’s office throughout the hearing. \[add. 7-15\]

B-2. Observers: Both parties may have an advisor or counsel at the hearing. \[add. 7-15\]

C. SPECIAL CONSIDERATION: Faculty members serving on the Faculty Appeals Hearing Board (FAHB) should take careful note of the following additional considerations and conditions for service: 1) appeals usually occur following tenure, promotion, and salary decisions in the middle of the Spring semester, 2) appeal hearings usually require a 2-4 hour time block which will require meeting on a weekday evening or Saturday to accommodate the schedules of all of the parties involved in a hearing, and 3) the term of office of a member of the FAHB ends when the last active case final report is submitted. Faculty members not willing to abide by these conditions should not apply for service on the Faculty Appeals Hearing Board. \[add. 7-02\]

STUDENT DISCIPLINARY REVIEW BOARD (SDRB)

[This section was removed from FSH 2400 and placed here in July 2008. In 2014 University Judicial Council was renamed Student Disciplinary Review Board following a complete review of the Student Code of Conduct]

A. FUNCTION. UI's disciplinary review process for alleged violations of the Student Code of Conduct is established and maintained for the handling of disciplinary matters concerning UI students ("student" is defined in FSH 2300 I.A-6 and 2400 A-1.) The SDRB is one of the reviewing bodies involved in the review process set out in FSH 2400 which covers any and all matters that are related to and consistent with the Student Code of Conduct [FSH 2300] and the Statement of Student Rights [FSH 2200]. [rev. 7-14, 7-16]

B. STRUCTURE AND MEMBERSHIP. The SDRB is broadly representative of the academic community. The SDRB consists of thirteen members: five faculty members, two staff, five undergraduate students and one graduate student. The chair is responsible for forming a panel (see B-1 below) and designating the chair. Given the nature of responsibility of the Chair of SDRB, Committee on Committees will first consider a tenured faculty member. [rev. 7-14, 7-16]

B-1. Panel: The chair of the SDRB shall appoint a three person panel from the committee to hear matters presented to the SDRB pursuant to FSH 2400. Each panel will consist of at least one faculty member and, if possible, at least one student. In selecting a chair, a tenured faculty member will receive priority. A student may not chair any panel. Persons appointed must have no interest in or involvement with the parties to or the subject matter of the situation under review. [add. 7-16]

C. SPECIAL CONSIDERATION. Each committee member will be required to participate in Title IX training and other training as needed. Members serving on the SDRB should be aware that federal regulations governing the handling of disciplinary matters recommend a specific hearing time schedule. Therefore, SDRB members may need to be available for approximately two to four hours within as little as five days of a student being notified of the alleged violation of the Student Code of Conduct. [add. 1-14, rev. 7-14, rev. & ren. 7-16]

Outgoing committee members should be aware that their appointment will continue until their replacement is confirmed and has received the required Title IX training (typically by early fall). [add. 1-17]
