I. Policy/Procedure Statement: Briefly explain the purpose/reason of proposed addition, revision, and/or deletion to the Faculty/Staff Handbook or the Administrative Procedures Manual.

The Clery Center for Security on Campus recommends that institutions formally charter Clery Compliance committees to ensure full compliance with the Clery Act. The formation of such a committee at University of Idaho would both ensure Clery Act compliance and aid the University Office of Public Safety’s commitment to creating and maintaining a safe environment for the UI Community and those who visit. Establishing the Security and Compliance Committee would also help broaden awareness of security issues facing the University of Idaho and help enhance policies and programs that support a secure campus environment.

The Clery Center for Security on Campus is a nonprofit dedicated to preventing violence, substance abuse and other crimes on college and university campuses across the United States

II. Fiscal Impact: What fiscal impact, if any, will this addition, revision, or deletion have?

No impact anticipated

III. Related Policies/Procedures: Describe other policies or procedures existing that are related or similar to this proposed change.

IV. Effective Date: This policy shall be effective on July 1, or January 1, whichever arrives first after final approval (see FSH 1460 D) unless otherwise specified in the policy.
