I. Policy/Procedure Statement: Briefly explain the purpose/reason of proposed addition, revision, and/or deletion to the Faculty/Staff Handbook or the Administrative Procedures Manual. Students may appeal the Student Disciplinary Review Board to a three person subcommittee comprised of faculty, including from senate, staff and students. After reviewing a number of these appeals from last year, Senate Leadership has suggested that we consider the formation of a subcommittee that could receive some Title IX training and have the opportunity to become familiar with the appeals process and possibly be composed of a broader group of faculty then those who original comprised the Senate panels for appeals.

II. Fiscal Impact: What fiscal impact, if any, will this addition, revision, or deletion have? none

III. Related Policies/Procedures: Describe other policies or procedures existing that are related or similar to this proposed change.
FSH 2400

IV. Effective Date: This policy shall be effective on July 1, or January 1, whichever arrives first after final approval (see FSH 1460 D) unless otherwise specified in the policy.
