Agricultural and Life Sciences

1. Change the following course:

   **Ag 494  CALS Peer Mentors (1 cr, max 3)**
   The CALS Peer Mentors provides students the opportunity to further develop leadership and mentoring skills through a variety of activities involving recruitment, campus outreach, and new student mentoring. The objective is to welcome new students to college life; create awareness of the academic programs; and be available to guide students. This course is repeatable for a maximum of 3 credits. Graded A/Pass/Fail.
   **Prereq**: Departmental Permission

   **Rationale**: We are requesting that students be allowed to repeat the course for credit, and the request be retroactive for the Fall 14 semester. Students who repeat the course develop additional leadership and mentoring skills by experiencing different students and issues each time they serve as a Peer Mentor. Students who repeat the course also provide additional leadership skills to the Peer Mentor class. A maximum of 3 credits is allowed.
