MOVEMENT SCIENCES

1. Change the following courses

AT 520 Clinical Education I (2 cr)
Practice of athletic training clinical skills under the direct supervision of an Approved Clinical Instructor with emphasis on the Level I clinical educational competencies. 4 hours lab.

AT 521 Clinical Experience I (4 cr)
Clinical practice in athletic training under the direct supervision of a Preceptor an Approved Clinical Instructor with emphasis on patient care and the safe and appropriate use of skills and techniques.

AT 522 Clinical Education II (2 cr)
Practice of athletic training clinical skills under the direct supervision of a Preceptor an Approved Clinical Instructor with emphasis on the Level I clinical educational competencies. 4 hours lab.

AT 523 Clinical Experience II (4 cr)
Clinical practice in athletic training under the direct supervision of a Preceptor an Approved Clinical Instructor with emphasis on patient care and the safe and appropriate use of skills and techniques.

AT 550 Clinical Education III (2 cr)
Practice of athletic training clinical skills under the direct supervision of a Preceptor an Approved Clinical Instructor with emphasis on the Level II clinical educational competencies. 4 hours lab.

AT 551 Clinical Experience III (4 cr)
Clinical practice in athletic training under the direct supervision of a Preceptor an Approved Clinical Instructor with emphasis on patient care and the safe and appropriate use of skills and techniques. 4 credits.

AT 552 Clinical Education IV (2 cr)
Practice of athletic training clinical skills under the direct supervision of a Preceptor an Approved Clinical Instructor with emphasis on the Level II clinical educational competencies. 4 hours lab.

AT 553 Clinical Experience IV (4 cr)
Clinical practice in athletic training under the direct supervision of a Preceptor an Approved Clinical Instructor with emphasis on patient care and the safe and appropriate use of skills and techniques.
Rationale: No new courses being added. Updates to the course catalog, in line with accreditation standards and terminology, include changing the term “approved clinical instructor (ACI)” to “preceptor”. Workload and assessment of the courses are not affected.

2. Make the following curricular changes to the Master of Athletic Training (M.S.A.T.)

The M.S.A.T. in Athletic Training requires the following courses:

AT 506 Clinical Anatomy I (3 cr)
AT 507 Care and Prevention of Injuries and Illnesses (3 cr)
AT 508 Evaluation and Diagnosis of Injuries and Illnesses I (4 cr)
AT 509 Principles of Rehabilitation (3 cr)
AT 510 Therapeutic Modalities (2 cr)
AT 511 Ethics and Administration in Athletic Training (3 cr)
AT 512 Research Methods & Statistics I (3 cr)
AT 513 General Medicine for Athletic Trainers (3 cr)
AT 514 Psychology of Injury and Referral (3 cr)
AT 515 Research Proposal (3 cr)
AT 520 Clinical Education I (2 cr)
AT 521 Clinical Experience I (4 cr)
AT 522 Clinical Education II (2 cr)
AT 523 Clinical Experience II (4 cr)
AT 531 Clinical Anatomy II (3 cr)
AT 532 Evaluation and Diagnosis of Injuries and Illnesses II (4 cr)
AT 533 Applied Rehabilitation Techniques (3 cr)
AT 534 Therapeutic Modalities II (2 cr)
AT 535 Seminar in Athletic Training (1 cr)
AT 536 Research Methods & Statistics II (3 cr)
AT 538 Advanced Human Biomechanics (3 cr)
AT 539 Advanced Exercise Physiology (3 cr)
AT 540 Pharmacology for Athletic Trainers (3 cr)
AT 541 Seminar in Athletic Training II (2 cr)
AT 542 Research Presentation (1 cr)

AT 543 Neuroscience for Athletic Trainers
AT 547 Critical Issues in Athletic Training Clinical Practice (3 cr)
AT 550 Clinical Education III (2 cr)
AT 551 Clinical Experience III (4 cr)
AT 552 Clinical Education IV (2 cr)
AT 553 Clinical Experience IV (4 cr)
AT 587 Prevention and Health Promotion in Athletic Training (3 cr)

Course Sequence Changes:
AT 514: Psychology of Injury and Referral—change from first Spring semester to first Fall semester
AT 511: Ethics and Administration in Athletic Training—change from first Fall to first Spring semester

Distance education: More than 50% of the curricular requirements can be completed via distance
Geographical Area Availability: Moscow
Rationale: No new courses being added. Updates to the course catalog, in line with accreditation standards and terminology, include changing the term "approved clinical instructor (ACI)" to "preceptor". Workload and assessment of the courses are not affected.

3. Make the following curricular changes to the Doctor of Athletic Training (D.A.T.)

Requirements for Doctoral Degrees

Credit Requirements. For the Ph.D. and Ed.D., a minimum of 78 credits beyond the bachelor's degree is required; of these, at least 52 credits must be at the 500 level or above and at least 33 of the 78 credits must be in courses other than 600 (Doctoral Research and Dissertation). A maximum of 45 credits in dissertation and 5 credits of 599 (Non-thesis Research) may be used toward the degree. For the D.A.T., a minimum of 66 credits are required (including all dissertation work). Courses numbered below 300 may not be used to fulfill the requirements for a doctoral degree; courses numbered 300-399 may be used only in supporting areas. Individual programs may require additional course work. Applicants having a doctoral degree may obtain a second doctoral degree subject to the approval of the Graduate Council. The Graduate Council will establish the requirements for the second degree.

Procedures for Doctor of Athletic Training

Dissertation Hours. The D.A.T. has been designed to allow the students to complete their dissertation as efficiently and efficaciously as possible. All components of the dissertation are developed within specific didactic, research and clinical courses that are integrated throughout the curriculum. Therefore, formal "dissertation hours" are not required as these "hours" are already contained in the curriculum design. Requires 12 credit hours of dissertation (AT 600) to be eligible for graduation. These dissertation hours are to be completed after the completion of the academic coursework.

Distance education: More than 50% but less than 100% of the curricular requirements can be completed via distance education
Geographical Area Availability: Moscow
Rationale: This requirement has been added because after evaluation of our new program we have found that it is unlikely that a student can graduate in the current format (2 years/ 6 semesters). This change better reflects average completion time of the program (one additional semester). Additionally this change will allow the UI DAT program to conform to the 78 credit (beyond a bachelor's degree) rule for doctoral programs at the UI.
