UNIVERSITY CURRICULUM COMMITTEE  
2016-17 Meeting #17, March 20, 2017

Present: Patricia Hart, Tara Hudiburg, Rick Stoddart, Dan Eveleth, Jeanne Stevenson, Heather Chermak, Jaap Voss (via Zoom), Jerrold Long, Taylor Raney, Kenton Bird
Absent: Joe Law, Robert Heinse, Bailey Morris, Rick Leathers, McKenzie McDonald
Others present: Grace Miller, Diane Armpriest, Lee Vierling, Chris Williams, Catherine Yenne, Danny Bugingo

The committee elected to consider UCC-17-026 first.

UCC-17-026 COLLEGE OF SCIENCE

BIOLOGICAL SCIENCES
It was moved and seconded to approve items one and two from Biological Sciences. Dan Eveleth noted that the rationale for the new courses references adding diversity to the pool of courses, but there isn’t a corresponding curricular update. The committee approved the change unanimously with recommendation for a formal curriculum change request.

CHEMISTRY
It was moved and seconded to approve item one from Chemistry. The motion passed unanimously.

GEOGRAPHY
It was moved and seconded to approve items one and two. The committee elected to table all Geography items.

MATHEMATICS
It was moved and seconded to approve items one and two. Chris Williams explained that the new graduate level Math course is multiply cross-listed. The committee noted that the course description should appear in the standard format. The motion passed unanimously.

STATISTICAL SCIENCE
It was moved and seconded to approve items one and two. The motion passed unanimously.

UCC-17-026a COLLEGE OF SCIENCE

STATISTICAL SCIENCE
It was moved and second to approve the new certificate. The motion passed unanimously.

UCC-17-027b COLLEGE OF ART AND ARCHITECTURE

The committee took the motion to approve from the table. Jeanne Stevenson confirmed that the proposal went through UBFC and funds are available. The committee noted inconsistencies in the budget and enrollment numbers. Patricia asked where the budget came from and Diane Armpriest responded that the Dean worked with Trina Mahoney. Diane also noted that the simplicity of the form precluded the requested detail. The committee suggested removing budget information from the narrative and clarifying the enrollment numbers and the effect in Moscow. The motion passed
unanimously, as amended, assuming updates from Randy Teal and Diane before it goes on to Faculty Senate.

**UCC-17-036**  COLLEGE OF NATURAL RESOURCES
**UCC-17-036b**  COLLEGE OF NATURAL RESOURCES

The committee elected to table UCC-17-036 and UCC-17-036b, pending clarification.

**UCC-17-036a**  COLLEGE OF NATURAL RESOURCES

It was moved and seconded to approve the Certificate name change. The motion passed unanimously.

**UCC-17-035a-e**  COLLEGE OF BUSINESS AND ECONOMICS

Dan Eveleth explained to the committee that all fees once went to PGA, but the college is now able to keep some. He offered the following anecdotal evidence in support of the new options: parents are often more comfortable with the prospect of their child majoring in something like Marketing or Finance with a PGA emphasis than majoring in Golf outright. Don Crowley requested clarification regarding the PGA and program requirements listed at the end of each curricula. The motion passed unanimously.

**UCC-17-035**  COLLEGE OF BUSINESS AND ECONOMICS

It was moved and seconded to approve the language changes. The motion passed unanimously.

Hearing no additional questions, Chairperson Hart adjourned the meeting at 4:59. UCC will reconvene on Monday, March 27, 2017.

Grace Miller

UCC Secretary
