FOR 274 Forest Measurements and Inventory        Assignment 10

Essay [up to 100 points]

Topic: Specialty Timber Products

Objective: Write an essay describing different specialty timber products that can be produced from timber. Your essay should include (but is not limited to) musical instruments, poles, etc.

Deadline: Monday 9th November

Essay Instructions:

This essay should be typed and should be at least the equivalent of 1.5 single spaced typed pages. Feel free to use single or double line spacing.

This essay should include the following elements:

I. Title
   • Use this title: "Specialty Wood Products by <Insert Name Here>"

II. Introduction
   • The introduction should be 2 paragraphs of 5-6 sentences each. Your last paragraph should include an outline to the sections of your essay.

III. Products
   • This section should be at least 2-3 paragraphs. Use separate paragraphs for each product you describe. Use figures to illustrate examples of products and tables to illustrate value of different products. Your product descriptions should include the relative value of different species and what factors affect value of the timber (quality and defect). This review of literature should include information from at least 5 sources. Wikipedia does not count towards this number and will not count as a source.

II. Conclusions
   • This section can be 1 paragraph. In your own words evaluate summarize the main points of your essay.

IV. Literature Cited
   • At the end of the document use the following citation conventions:

- In the text, use the following citation conventions:
