N O T E S

### City of London Discoveries

10:30 Sketching Session @ Bloomberg Building  
12 Walbrook, London, EC4N 8AA  
Architect: Norman Foster (2018 Stirling Prize)

The building won the Stirling Prize last year for the best building in the UK. It features a well-thought out exterior shading strategy. You are allowed to sketch in the plazas and in the arcade between the wings. You may be able to go into the reception and check out the atrium space from there.

11:00 Tour (booked) London Mithraeum Bloomberg SPACE  
<https://www.londonmithraeum.com/>

The Mithraeum is below the Stirling Prize winning building. It's basically a museum of Roman artifacts found during site excavation for the new building.

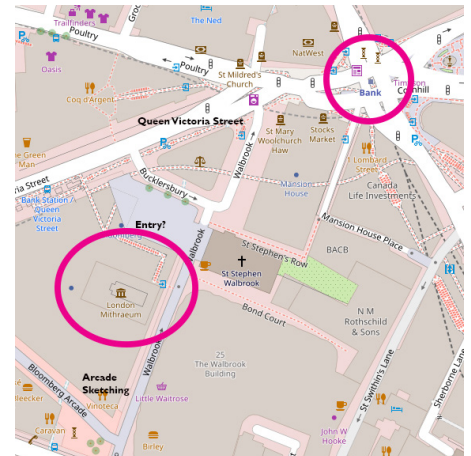

13:00 Discovery Exercise(s) of your choice.

19:00 TA Seminar with Becca. Location TBD.

### GETTING THERE.

Tube. King's Cross Piccadilly Line to Holborn, change to Central Line to Bank.

Walk. From Bank tube station go west on Queen Victoria Street for a short block to Walbrook, proceed south to Bloomberg HQ.

Remember to bring your ticket for the London Mithraeum Bloomberg SPACE.
