

Regeneration

Charette 2022

Team Ouse – Maddie Smith, Joe Rasmussen, Mariah Soriano

Concept & Goals

- **Concept:** The cyclical nature and dialogue between new and old generational thinking
- **Goals:**
 - To take users on a journey that engages between old and new generational concepts through the expression of movement, material, structure, and texture.
 - To explore the different spatial and experiential qualities of CLT
 - To explore the conflict between new and old ways of thinking
