

It is with heavy hearts that we inform you there has been a loss in the Center for ETHICS* family. David Ruiz, Dr. Stoll's 34th doctoral student has suddenly passed away. David Ruiz was an educator in the athletic training program at Mount Union College in Canton, Ohio. David was in his fifth year of doctoral work. His line of research was directed toward the ethical importance of including fundamental locomotor skill education for certified athletic trainers. For a tribute to David, we are hopeful that we will generate a publication of his data this summer.

Dr. Jackie Williams, Dr. Stoll's 14th doctoral student will be presenting at the Pennsylvania Athletic Trainers' Society (PATs) 2019 Annual Meeting in Gettysburg, PA on May 31, 2019.

Williams, J. (2019, May 31). Right versus wrong: Are athletic trainers making the correct ethical decisions. Gettysburg, PA: Pennsylvania Athletic Trainers Society.

Kevin Bryant, Dr. Stoll's 33rd doctoral student, Co-authored a paper that was published by the National Federation of State High Schools. The link to read the article is as follows:
