

Dr. Stoll reviewed an article for *Quest*. “Quest is the official journal of the National Association for Kinesiology in Higher Education (NAKHE). It is the leading journal for interdisciplinary scholarship for professionals in kinesiology in higher education. Quest provides a public forum for scholarship, creative thought, and research relevant to a broad range of interests held by faculty and leaders in higher education today”.

Dr. Stoll reviewed two articles for the *Journal for the Study of Sports and Athletes in Education*. The *Journal for the Study of Sports and Athletes in Education* “provides a forum for discussion and analysis on the unique characteristics of sports and athletics participation in education. In a unique perspective, the Journal takes a multidisciplinary approach in examining the issues that face student athletes and sports programs throughout the United States. JSSAE intends to provide an environment that encourages the audience to think critically about the role that athletics play on college and high school campuses throughout the United States and international”.

Dr. Stoll and her 38<sup>th</sup> doctoral student, Aubrey Shaw’s article was accepted in the *Journal of Kinesiology and Wellness* which will be published this January.

Shaw, A. H., & Stoll, S. K. ( Accepted 2019). Do not judge me on my walking: An argument for inclusion. *Journal of Kinesiology and Wellness*.

Kevin Bryant, Dr. Stoll’s 33<sup>rd</sup> doctoral student presented at the National Interscholastic Athletic Administrators Association (NIAAA). His presentation was a breakout session on Developing A Selection Process for Hiring Coaches.

Bryant, K. (2016, Dec. 16). Developing a selection process for hiring coaches. San Antonio, TX: National interscholastic Athletic Administrators Association.

Dr. Stoll and her 17<sup>th</sup> doctoral student, Dr. Pete Van Mullem was accepted to do a workshop for 2019 Summit in Colorado Springs in June.

Stoll, S. K., & Van Mullem, P. (2018, March). Ethical decision-making in coaching: A value-based approach. Nashville, TN: SHAPE America.

### Upcoming Events

Kevin Bryant, Dr. Stoll’s 33<sup>rd</sup> doctoral student will be presenting several times this coming April at the Oregon Athletic Directors Association annual meeting in Sunriver OR.

Bryant, K., & Horak, M. (2019). Character based coach to coach mentoring program. Sunriver, OR.

Bryant, K., & Sam, T. (2019, April 14-18). Promoting marketing and fundraising. Sunriver, OR.

Kevin Bryant, Dr. Stoll's 33rd doctoral student has the potential of presenting at the National HS Principals Meeting in July in Boston, MA on Student Athlete Mental Health.

Bryant, K. (Submitted, July). Student athletes mental health. Boston, MA: National High School Principals Meeting.

## Executive Summary:

The Center for ETHICS\* at the University of Idaho offers study, intervention, outreach, consultation, and leadership in developing and advancing the theory, knowledge and understanding of character education including moral and ethical reasoning, moral development, ethical leadership, and ethical application. The Center is led by Dr. Sharon Kay Stoll, Ph.D., who is listed as one of the 100 Most Influential Educators in Sport in the U.S. by the Institute for International Sport, RI, which sponsors the World Games. The Center is the oldest center in the world dedicated to moral reasoning and moral development pedagogy and curriculum in competitive populations. The Center is the world's largest repository of assessment information about moral reasoning and moral development and the most cited research entity in that area. The Center for ETHICS\* does all of its research in the "Human Communities" category. The Center is funded by product development, donation and contract with agencies who seek the services of the Center. Agencies who work with the Center include: United States Anti-Doping and World Anti-Doping Agency.

## The Center's major points in 2018 included:

- Nine doctoral students, One finished. Three in candidacy. Five in research mode. (Two doctoral students were accepted after leaving other major professor in department).
- Eight local, regional and national presentations with doctoral and master students
- Three refereed journal articles or abstracts with doctoral students.
- One book chapter with former doctoral students, who are now in the field.
- End of \$30 K Grant with National Center for Academic Excellence in Cybersecurity, PI Barbara Popvosky, University of Washington.
- Four single author presentations at local and regional meetings – Keynote at Oregon State High School Athletic Directors meeting.
- One national presentation with former doc student.
- One open journal publication with present doc student.
- Six national interviews, radio and print media.
- Consulting with high schools, colleges, and other researchers in the field. Twenty contacts throughout the year.

**Grants and Contracts:**

2016-2018— \$30,000

The Center for Ethics is a contract awardee in a grant that has been accepted by the National Centers for Academic Excellence in Cybersecurity. The \$30,000 contract award to the Center is to support the pedagogical work of

the 1 million dollar project directed by Barbara Endicott Popvosky, Ph.D. Executive Director, Center for Information Assurance and Cybersecurity, University of Washington. The purpose of this project is to create an online, interdisciplinary, graduate, veteran/military friendly, cyber response program that can serve both transitioning veterans and future military and civilian leaders. The course content will incorporate relevant interdisciplinary topics provided by a group of SME's from law, ethics and pedagogy who will comprise an Executive Steering Committee (ESC) that will meet regularly to review content and insert topics that will integrate several subjects into the course.

#### Extension and Service:

##### **Service to Profession:**

Creator and Director of the Center for ETHICS\* (Ethical Theory and Honor in Competitive Sports), an educational research center recognized by the State Board of Education as one of the six such programs in the state of Idaho. The Center is directed toward the study of moral reasoning and moral development in sport. Over 80,000 sport participants and athletes have been assessed with evaluative instruments. The Center through the College of Education offers an undergraduate minor in sport ethics, a master's degree in sport philosophy and ethics, and a Ph.D. in Sport Philosophy and Ethics. The Center is a multipurpose education entity working in all competitive arenas from the military, to business, through education. The Center through its Director, graduate assistants, and affiliate faculty are able to offer workshops and implement intervention programs.
