

Tutoring & College Success supports students in their educational endeavors by providing academic success strategies through Academic Coaching, SI-PASS, and Tutoring

## Academic Coaching

Academic coaching is an interactive student support resource focused on students developing and enhancing their academic skills. Students can receive support in each of the following ways:

- Individual Consultations: All students can talk directly with the Academic Coaches in-person, over the phone, Zoom. Please schedule your appointment online through [vandalstar.uidaho.edu](https://vandalstar.uidaho.edu) or by emailing [acadcoaching@uidaho.edu](mailto:acadcoaching@uidaho.edu).
- INTR 101 (College Success Strategies): This class will provide students with a foundation for achieving their academic goals, charting a path for future professional success, and appreciating the value of lifelong learning. We offer this course during the early and late eight weeks of every semester.
- Workshops and Presentations: Throughout the year there will be workshops on many academic skills including time management, study strategies, critical reading, note taking, goal setting, and how to prepare for an exam. For the most up to date workshop schedule and ways to participate in presentations visit our website and follow us on social media.

## Supplemental Instruction Peer Assisted Study Sessions (SI-PASS)

SI-PASS provides regularly scheduled, peer-led study sessions for difficult courses. SI-PASS sessions are held multiple times a week in-person and focus on better understanding the course material through collaborative activities. SI-PASS is free and available to all students enrolled in SI-PASS supported courses. Students who regularly participate in SI-PASS statistically earn higher grades in classes.

- Study session schedule available on website ([uidaho.edu/si](https://uidaho.edu/si))
- No appointment needed to attend sessions; email [si-pass@uidaho.edu](mailto:si-pass@uidaho.edu) for specific questions
