

Wix TUTORIAL

Go to wix.com and click on 'Get Started'

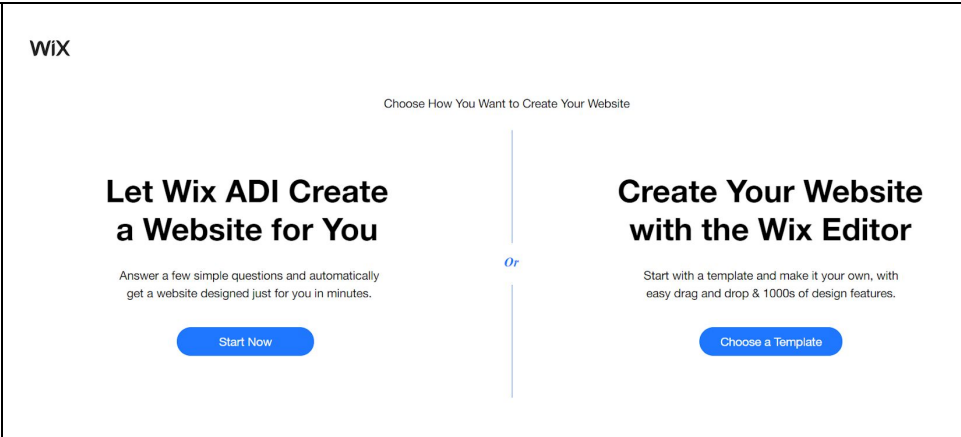

The screenshot shows the Wix homepage. At the top left is the Wix logo. To its right are navigation links: Features, Explore, Subscriptions, Templates, Wix Partners, Editor X, and Support. On the far right, there is a language selector showing 'EN' and a 'Sign In' button. The main content area features a large heading 'Create a Website You're Proud Of' in a bold, black font. Below this heading is a sub-headline: 'Discover the platform that gives you the freedom to create, design, manage and develop your web presence exactly the way you want.' A prominent blue 'Get Started' button is centered below the text. At the bottom of the page, there is a horizontal banner showing a mobile phone interface with a 'TPHONES' label and a 'CART' icon, along with a small video chat window on the right.

Sign up with your email or Facebook or Google credentials

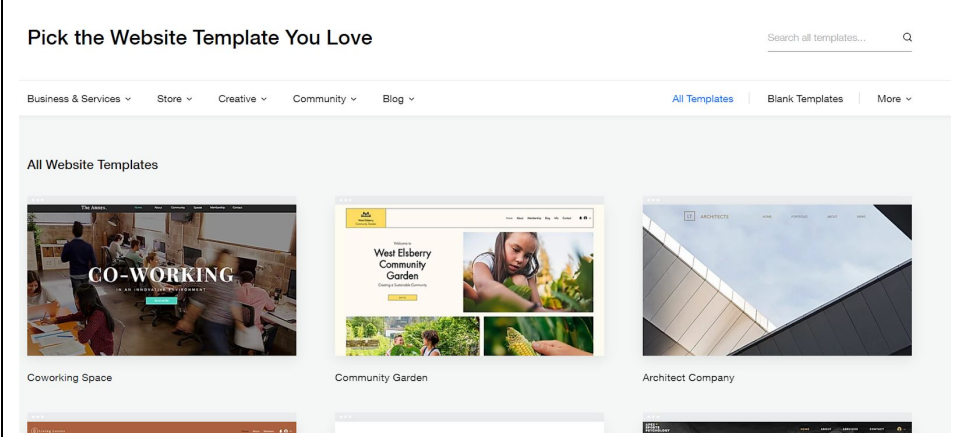

The screenshot shows the Wix sign-up page. The heading 'Sign Up' is centered at the top. Below it is a link: 'Already have a Wix account? [Log In](#)'. The form consists of four input fields on the left: 'Email', 'Type your email again', 'Password', and 'Type your password again'. A blue 'Sign Up' button is positioned below the password fields. On the right side of the form, there are two social login buttons: 'Continue with Facebook' (with the Facebook logo) and 'Continue with Google' (with the Google logo). At the bottom of the page, there is a small disclaimer: '* By signing up, you agree to our [Terms of Use](#) and to receive Wix emails & updates and acknowledge that you read our [Privacy Policy](#).'

Click on your choice of letting Wix create a website template for you or for you to choose a template.

Based on the 'Choose a Template' option, make your choice of which template might work better.

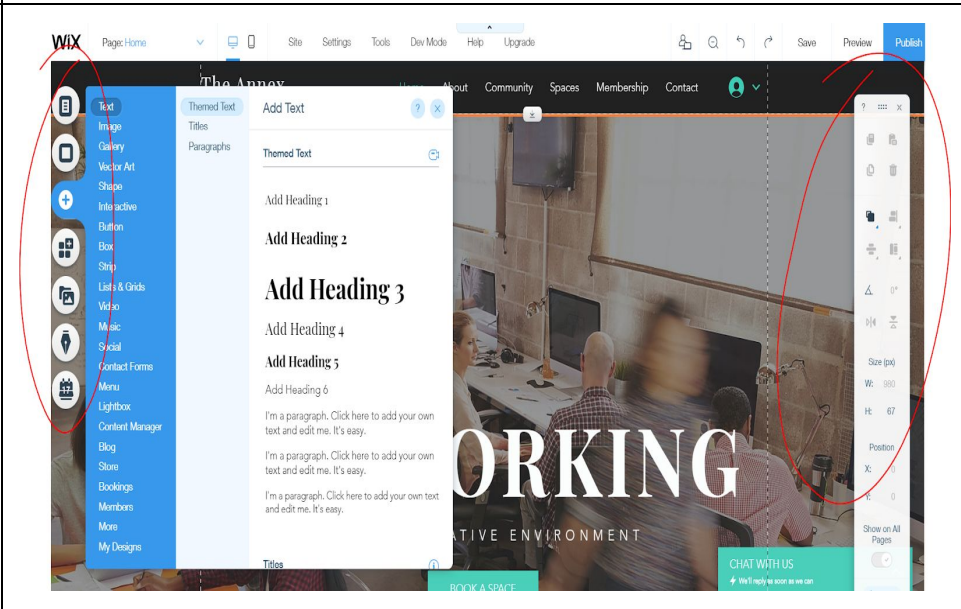

You can always change it later.

And here is what the template and build page looks like.

From the menu on the left, you can choose what you want to work on or build.

Once ready, click on 'Publish' on the upper right.

Choose a domain/website name, type it and click on **Save Continue**.

The domain will be the link to your portfolio.
