## Voice, Choice, and Student Success

This annual event draws faculty, staff, and students together to share, develop, and implement ideas that can make a difference in the learning and lives of our students. Co-sponsored by the Vice Provost for Academic Initiatives and the Center for Excellence in Teaching and Learning, this year's event focuses on **The Power of Agency**. Please join us for this important event –your presence, experience, and expertise make a difference! Lunch will be provided.
