VIRTUAL TECHNOLOGY AND DESIGN

1. Add the following courses:

**VTD 151L Lab: Virtual World Building 1**
1 credit
This course is designed to support and further develop the comprehension of virtual reality design technology within the VTD 151: Virtual World Building 1 course.
Coreq: VTD 151 or Permission

**VTD 152L Lab: Virtual World Building 2**
1 credit
This course is designed to support and further develop the comprehension of virtual reality design technology within the VTD 152: Virtual World Building 2 course.
Coreq: VTD 152 or Permission

**VTD 153L Lab: Virtual World Building 3**
1 credit
This course is designed to support and further develop the comprehension of virtual reality design technology within the VTD 153: Virtual World Building 3 course.
Coreq: VTD 153 or Permission

**VTD 154L Lab: Virtual World Building 4**
1 credit
This course is designed to support and further develop the comprehension of virtual reality design technology within the VTD 154: Virtual World Building 4 course.
Coreq: VTD 154 or Permission

**Available via distance:** Yes
**Geographical Area:** Moscow
**Rationale:** The VTD program has developed a new design foundation sequence VTD151-154 (2cr ea.) and has requested to use these courses to establish a possible certificate program (12 credits). These new Lab courses will assist the corresponding design studio courses with online content/exercises that are designed to reinforce course curriculum and provide for a (12) credit experience for the certificate. These online labs can also be used for students who need additional support to expand their technical knowledge outside of the certificate.
