A. FUNCTION. To act on applications for admission to UI in the cases of undergraduate applicants who do not meet minimum requirements for admission but who request a review (the applicant must submit additional material that reflects real promise of success in a college-level curriculum). The Admissions Committee also hears appeals from disenrollment when that disenrollment is the result of the presentation of incomplete or false information on initial application as an undergraduate at UI. Decisions of this committee may be appealed as stated in 2500. (Similar applications for admission to the College of Graduate Studies are acted on by the Graduate Council, and its decisions may be appealed as stated in 2500; those for admission to the College of Law are acted on by that college’s Committee on Admissions, and its decisions may be appealed, in order, to the full faculty of the college and, when they consent to hear the appeal, to the president of the university and the regents.) [ed. 7-00]
