Proposed Catalog Changes  
Effective Summer 2018

**NAVAL SCIENCE**

1. Change the following course:

**NS 412 ~~Amphibious Operations~~ Fundamentals of Maneuver Warfare (3 cr)**  
~~Amphibious doctrine from Gallipoli to the Mayaguez.~~ [Amphibious doctrine and its relation to maneuver warfare.](#) Recommended preparation: NS 311. Cooperative: open to WSU degree-seeking students. (~~Fall~~[Spring](#) only)

**Available via distance:** No

**Geographical Area:** Moscow

**Rationale:** These changes will more appropriately cover information critical to the understanding of amphibious operations and its correlation to maneuver warfare doctrine as taught and implemented by the US armed services. No additional department workload required.
