**Rationale for Program Component Request or Name Change**

This section must be completed

Explain the change you are requesting, and provide a rationale for this request. Include an explanation of how the department will manage the added workload for a new program component; describe whether the program component curriculum and admissions requirements remain the same; describe the rationale for a name change or degree designation change, if applicable.

Adding Sexuality to our program's title allows us to feature a subject area faculty have already been building into existing course curricula and courses that are being entered into our curriculum next year. This will not add workload or any other additional resources, since this is an interdisciplinary program relying mostly on multiple departments' existing courses.
