FROM: Office of the Registrar, Academic Publications Editor
RE: Student petition for approval of credit from a non-regionally accredited school
DATE: November 19, 2018

A student at the University of Idaho has requested approval of non-regionally accredited course work from St. Mary's College in St. Mary's, Kansas by the University Curriculum Committee in compliance with the Evaluation of Transfer Credit policy Part 2 of the General Catalog (Undergraduate Admission to the University).

The student has received support from the associated departments and formally is requesting the approval of the following transfer courses:

St. Mary's College

BIO 221 Principles of Biology (4 cr)

University of Idaho Equivalent

BIOL 102 Biology and Society (3 cr)

BIOL 102L Biology and Society Lab (1 cr)

Supportive materials and additional information will be available at the University Curriculum Committee meeting upon request.
