**UCC-23-005 – College of Engineering**

1. Edit the following course:

ME 201/401 - <https://nextcatalog.uidaho.edu/courseadmin/?key=7673>

The department has again requested to keep these courses joint listed. A representative from the department will be available to present at the meeting.

From the UCC minutes from 10/17/2022:

Lindsey Brown noted that that these courses (201 and 401 – joint-listed) had different prerequisites. Joint-listed courses cannot have different prerequisites. She also noted that the courses were set up with a different number of credits for repeatability purposes. Finally, she noted that it would be better if these courses were offered separately and not as joint-listed. Eric Wolbrecht said that these were for a club, and he could set them up with instructor permission.

**Outcome:** Department will work to create two separate courses. Tabled until courses split out.

**UCC-23-051 – College of Letters, Arts, and Social Sciences**
